

May 2nd is Polling Day - Vote Conservative

LEISURE FACILITIES

The Bridge in Broadbridge Heath is our new all-purpose leisure centre designed for all ages and part of our ongoing commitment to helping improve the health and wellbeing of the residents of Horsham.

Your Conservative led council has also built a skate park and a BMX track at the new innovative housing development at Highwood Mill.

WORKING FOR A SUSTAINABLE FUTURE

■ Horsham District Conservatives are planning for much needed local jobs, services and facilities to be alongside new homes and to secure investment in infrastructure.

■ We are working with Network Rail to encourage new railway stations to be built close to our employment sites.

■ Working with other West Sussex councils, we have secured nearly £19m from Government to help roll out a high speed optic network that will start delivering ultra-high speed gigabit internet to our businesses and communities.

■ We are working with environmental groups such as Sussex Wildlife Trust, on a range of environmental issues where we can make a quantifiable difference.

■ We are set to invest a further £12m on affordable housing to help local people into safe and secure homes.

Vote Conservative

Action from **HORSHAM DISTRICT COUNCIL**

MOST AFFORDABLE HOMES IN WEST SUSSEX

Your Conservative run Council has built the highest number of new affordable homes in West Sussex. We have delivered a 49% increase in affordable homes since 2015 and reduced the housing waiting list by almost 10% in the last year alone. Almost £6m is being invested to provide temporary accommodation for homeless people.

HIGHEST RECYCLING RATE IN WEST SUSSEX

Your Conservative council has the highest recycling rate in West Sussex. We exceeded the Government's 50% recycling target 2 years early and to boost this even more we have been in discussions with other West Sussex councils about a food waste collection trial to take place in the Autumn

LOWEST COUNCIL TAX IN WEST SUSSEX

Your Conservative run Horsham District Council has maintained all its core services, kept council tax increases at or below retail price inflation and consistently had the lowest council tax in West Sussex. Our future focus will be on using new ways to deliver services, looking at new investment, resources and expertise to continue to provide you with excellent value for money.

Good reasons to Vote Conservative...

1 INVESTMENT IN THE DISTRICT CONTINUES...

£4.5m in our new District waste collection plant. £12.5m invested in new Broadbridge Heath Leisure Centre. £8m in new Piries Place car park. £3m in new quieter, more environmentally, friendly waste collection vehicles.

2 ONE OF THE SAFEST DISTRICTS IN ENGLAND

Horsham Conservatives will continue to work alongside the Police to keep our district one of the safest in the country. Our Neighbourhood Warden Scheme continues to grow. There are 5 schemes in operation in the district with 2 more to begin by next year and we shall continue to promote the scheme to other communities.

3 2019 A YEAR OF CULTURE

2019 is an inspirational and exceptional year for the Horsham District. The Council is running and supporting our Year of Culture. There are over 400 events planned throughout the District and spread throughout the year. Events range from film, comedy, music of all kinds with two of the highlights being Global Gruffalo and Midsummer Night's Dream at Knepp Castle.
