

# VOTE CONSERVATIVE ON 23 MAY

## — THE ONLY PARTY THAT CAN ACTUALLY GET BREXIT DONE

The last thing I wanted was another European election. We voted to leave three years ago, for Heaven's sake.

But I couldn't get away from the feeling that failing to stand again while the issue of EU membership remains unresolved would be like deserting in battle.

We need Brexit to happen. And we need it to happen in a way that is swift, orderly, adult, amicable and economically liberal. That is what I and the Conservatives will work for.

I understand why people want to use

these European elections to “send a message”. In fact, though, the message was sent on 23 June 2016, when more people voted Leave than have ever voted for anything. We got the message; what we didn't get was the numbers. For two years, all the Opposition parties – Labour, the SNP, the Greens and the Lib Dems – have been working to frustrate Brexit.

I am writing now to ask for your help. Help us to get the numbers so that we can finish the job.

**There are only two parties that will be negotiating Brexit – the Conservatives or Jeremy Corbyn's Labour. I know which one I'd rather have in office.**

We are so close to becoming an independent country again. Let's get this thing done.

Best wishes,

*Daniel Hannan*

# Brexit should be about an open, global Britain.

The Conservatives will deliver a strong economy and a Brexit that protects jobs.

## OUR RECORD:

- ✓ Cutting income tax for 32 million people by raising the personal allowance to £12,500
- ✓ An extra 3.6 million people in work – the highest number ever
- ✓ Cutting Labour's deficit by four fifths, freeing up money for public services and lower taxes
- ✓ Meeting our NATO commitment to spend 2 per cent of GDP on defence
- ✓ An extra £20.5 billion for the NHS
- ✓ Driving up school standards. There are now another 1.9 million children being taught in good or outstanding schools

We want to ensure that that Britain continues to thrive after Brexit, and that we become the best place in the world to do business.
