Dear Members and Friends

Following the decisive General Election result, the Prime Minister has announced a Ministerial reshuffle.

There are very few changes; however, I am delighted to be able to tell you that Jeremy is among them. He has been promoted to serve as **Minister in the Cabinet Office**. The role is at the heart of Government helping drive the Prime Minister's ambitious agenda across Whitehall.

I am sure you join me in wishing him well in his new post.

Best regards

Adrian M Lee
